

ENHANCING ANTI-DISCRIMINATION LAWS IN EDUCATION & EMPLOYMENT

VIRTUAL SYMPOSIUM

NOVEMBER 12

Starts: 10:00 a.m. Eastern

A Symposium co-hosted by the *American University Journal of Gender, Social Policy & the Law*, the National Institute for Workers' Rights, and the *American* explores how the law can be used to address discrimination and advance diversity and equity in workplaces and educational institutions.

Legal thinkers in this space will suggest key changes needed to make the law more responsive to what people need to flourish in the face of blatant and more nuanced obstacles that enable discrimination in our workplaces' and educational institutions.
